COMMAND TO RENDER AN ACCOUNT OF PROFITS

Issued by: :Sandi, sui juris in capacity as the original Trustee and not personally

---

1. Command

TAKE NOTICE that all **public servants**, **officers**, **employees**, **agents**, **contractors**, and **instrumentalities** of any **public authority**, **department**, **agency**, **statutory body**, or **government-owned entity** are hereby **COMMANDED** to render a **full, true, and complete Account of Profits**.

This command applies to any **benefit, revenue, remuneration, commission, fee, allowance, grant, credit, rebate, subsidy, security, asset, data-derived value, or other advantage** obtained, directly or indirectly, **by reason of or in connection with**: - the exercise or purported exercise of public power; - administration, custody, control, or interference with the rights, status, property, identity, or interests of any natural person or minor; - the creation, use, reliance upon, or monetisation of records, registrations, identifiers, or administrative processes; - any fiduciary, statutory, equitable, or trust-like function.

---

2. Legal Basis

This command is grounded in established principles requiring fiduciaries and those exercising power over the interests of others to **account for profits**, including: - fiduciary accountability and equitable accounting; - unjust enrichment and restitution; - agency and trust principles (including constructive and resulting trusts); - statutory duties of good faith, proper purpose, and transparency; - the inherent power of a court or principal to compel an account where profits are derived from position, office, or power.

This command is issued **without admission of jurisdiction** and **without waiver of rights**, remedies, or objections.

---

3. Scope of Account

The Account of Profits shall include, without limitation:

1. **Sources of Profit**
   A detailed description of each source, transaction, mechanism, or process by which value was obtained.

2. **Quantum**
   Gross and net amounts, dates, valuations, and accounting methodology used.

3. **Beneficiaries and Distributions**
   All recipients of profits or benefits, whether retained, distributed, pooled, securitised, or transferred.

4. **Authority Relied Upon**
   Statutory provisions, instruments, delegations, policies, or directions said to authorise each profit or benefit.

5. **Trust or Fiduciary Treatment**
   Whether profits were held on trust, applied to consolidated revenue, or otherwise treated, with supporting records.

6. **Records and Data**
   All documents, ledgers, contracts, datasets, algorithms, and registers relied upon or generated.

---

4. Time for Compliance

The Account of Profits must be rendered **within 21 days** of service of this command.

Failure to render a complete and accurate account will be treated as: - **non-compliance**; - evidence supporting **equitable relief**, **restitution**, **disgorgement**, and **injunctive orders**; - grounds for further proceedings seeking **delivery up of profits**, **interest**, and **costs**.

---

5. Reservation

Nothing herein constitutes consent to jurisdiction, waiver of privilege, or acceptance of any asserted authority. All rights are expressly reserved.

---

6. Execution

Executed as to capacity only, not personally

Sandi, sui juris in capacity as the original Trustee and not personally

Date: _____

---

7. Service

Service may be effected on: - the head of each department or agency; - the responsible Secretary, Chief Executive, or Director-General; - the Attorney-General and/or relevant oversight bodies; - any known agent or contractor involved in the matters described.
